RE: Docket No. 2006-171-WS

Dear Sirs:

We are St. George's Episcopal Church and are directly across from Kings Grant so therefore feel we would fall into the areas to be covered by this action.

We will not be there to testify or as a party of record but would appreciate being notified of the hearing. If we need to do anything further to receive this information please let me know.

Sincerely,

*Beth Warren*
